

Averett Seminars Abroad: Comparative Education & Society in Dublin

May 29-June 18 2021

Program description

- Interdisciplinary, experiential seminar in Dublin, Ireland.
 - Educational and cultural site visits will provide a historical understanding of this global city. Through dialogue and reflection, participants are encouraged to examine how these cultural intersections affect society, economics, and education. The trip includes (but is not limited to):
 - Expert guest lectures
 - Visits with local schools and community organizations
 - Walking tours around Dublin's historic & artistic districts
 - Day excursions to the Cliffs of Moher, Kilkenny, & Wicklow
 - *Study Abroad is carefully monitoring the conditions domestically and in the destination country. If travel is cancelled due to COVID-19 health & safety issues, participants will be issued refunds.*
 - Students who need the course credit will have virtual options.
