

## 2024-2025 V1 Independent Verification Worksheet

<u>What is Verification?</u> – The Department of Education randomly selects a percentage of students for verification. Before awarding Federal Student Aid, we must collect documentation to verify the information reported on your FAFSA. We may correct your FAFSA based on your provided documentation if there are discrepancies. During the verification process, it may be determined that additional documents are needed.

<u>Instructions:</u> Read this worksheet thoroughly and answer all questions. Return the worksheet and all requested documentation to the Office of Student Financial Services as soon as possible to prevent financial aid processing delays.

As part of federal student aid eligibility, students and spouses (as appropriate) will be required to consent and approve sharing and importing income and tax information from the IRS to the FAFSA form, even if the attempt to obtain or use such data is ineffective. In other words, if the student and spouse filed separate 2022 IRS income tax returns, both must provide consent and approval to share and import income and tax information from the IRS. In most cases, no further documentation is needed to verify 2022 income information that was transferred into the student's FAFSA using the income and tax information directly from the IRS.

If 2022 income tax information for the student (or spouse, if applicable) was not available or could not be used, the student should provide the institution with a 2022 IRS Tax Return Transcript(s) or a signed copy of the 2022 income tax return and applicable schedules.

A 2022 IRS Tax Return Transcript may be obtained through:

- Get Transcript by Mail Go to www.irs.gov, click "Get Your Tax Record." Click "Get Transcript by Mail." Make sure to
  request the "Return Transcript" and NOT the "Account Transcript." The transcript is generally received within 10 business
  days from the IRS's receipt of the online request.
- <u>Get Transcript Online</u> Go to <u>www.irs.gov</u>, click "Get Your Tax Record." Click "Get Transcript Online." Make sure to request the "Return Transcript" and NOT the "Account Transcript." To use the Get Transcript Online tool, the user must have (1) access to a valid email address, (2) a text-enabled mobile phone (pay-as-you-go plans cannot be used) in the user's name, and (3) specific financial account numbers (such as a credit card number or an account number for a home mortgage or auto loan). The transcript is displayed online upon successful completion of the IRS's two-step authentication.
- <u>Automated Telephone Request</u> 1-800-908-9946. The transcript is generally received within 10 business days from the IRS's receipt of the telephone request.
- Paper Request Form IRS Form 4506T-EZ or IRS Form 4506-T. The transcript is generally received within 10 business days from the IRS's receipt of the paper request form.
