

Aflac isn't health insurance.

Let us show you who we really are

Traditional insurance pays doctors and hospitals. Aflac pays you. That means you can use your benefits any way you like, whether it's to pay leftover medical bills or any other expense you may have. They're your benefits, so you can use them your way.

Isn't it time to get to know Aflac? Your company makes these insurance policies available:

Cancer/Specified-Disease

Aflac's cancer/specified-disease insurance policy can help you and your family better cope financially if a positive diagnosis of cancer ever occurs.

Critical Illness (Specified Health Event)

An Aflac specified health event insurance policy is designed to help with the costs of treatment if you experience a covered health event.

Accident

Accidents happen. When a covered accident happens to you, our accident insurance policy pays you cash benefits to help with the unexpected medical and everyday expenses that begin to add up almost immediately.
