

Creating a Turnitin Assignment in Canvas

1. Create a regular assignment from the Assignments menu. Put in your desired information/instructions in the text boxes before scrolling down to the options.

The screenshot shows the Canvas LMS interface for creating a new assignment. The browser address bar shows the URL: https://averett.instructure.com/courses/516/assignments/new?submission_types=none&name=&due_at=null. The course is 'ENG 390: Origin and Structures of English' and the assignment is titled 'Linguistic Autobiography Assignment'. The 'Details' tab is selected, and the 'Mastery Paths' section is visible. The text editor contains the following text:

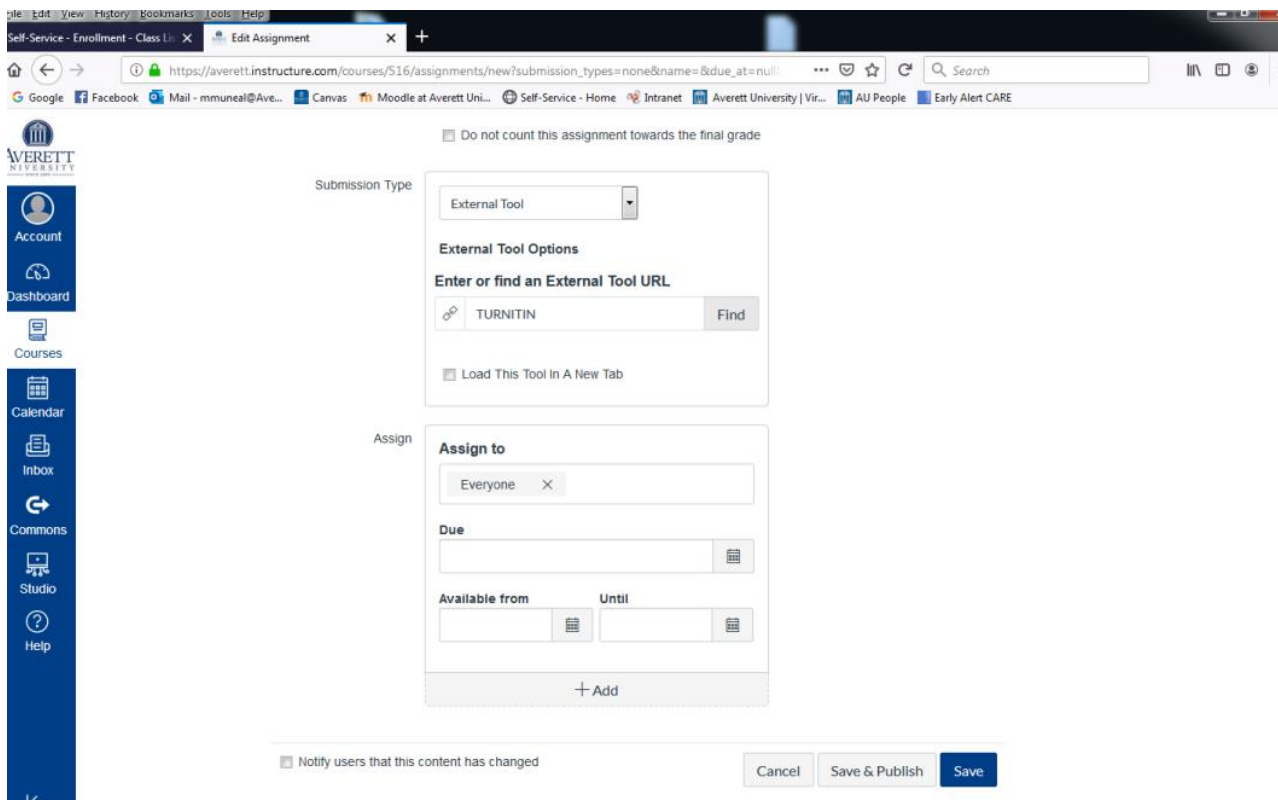

Formatting your responses:

You are being given tools to talk about the structure of spoken language in formal terms, and this is your first opportunity to use them in writing. Remember the following guidelines and tips:

- 1) If you're having problems finding IPA symbols in your copy of MS Word, you can go to an online IPA keyboard, type in your symbols, and copy and paste into your document: <http://ipa.typeit.org/>
- 2) When using IPA to represent pronunciation, give the symbols in square brackets. DO NOT create your own phonetic spellings using the English alphabet.
- 3) When your analysis discusses a particular word, whether you are talking about its pronunciation or some...

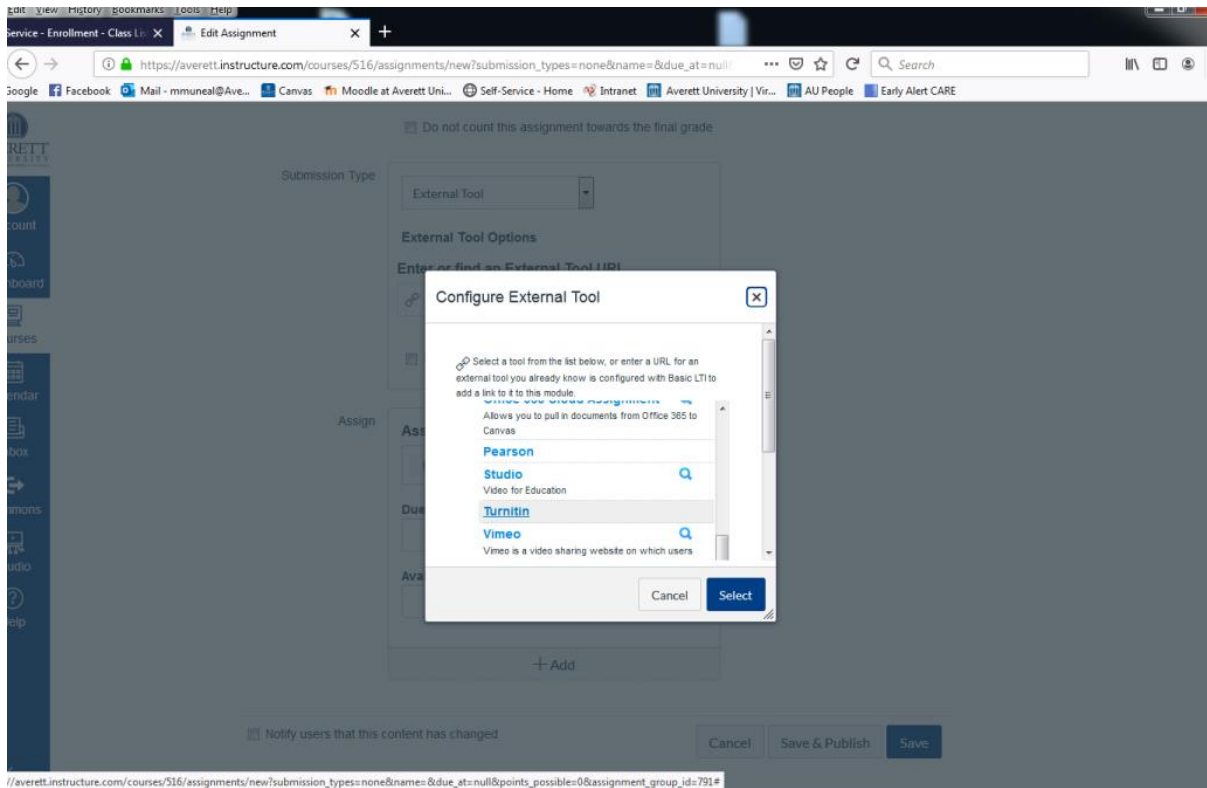

The 'Points' field is set to 100, and the 'Assignment Group' is set to 'Assignments'. The 'HTML Editor' button is visible in the top right of the text editor. The 'Links', 'Files', and 'Images' tabs are visible on the right side of the page.

2. Under 'Submission Type,' select 'External Tool.' Type 'TURNITIN' and click enter.

The screenshot shows the Canvas LMS interface for creating a new assignment, focusing on the 'Submission Type' options. The browser address bar shows the URL: https://averett.instructure.com/courses/516/assignments/new?submission_types=none&name=&due_at=null. The 'Do not count this assignment towards the final grade' checkbox is checked. The 'Submission Type' dropdown menu is set to 'External Tool'. The 'External Tool Options' section is expanded, showing the 'Enter or find an External Tool URL' field with 'TURNITIN' entered and a 'Find' button. The 'Load This Tool In A New Tab' checkbox is checked. The 'Assign to' section shows 'Everyone' selected. The 'Due' field is empty, and the 'Available from' and 'Until' fields are also empty. The '+ Add' button is visible at the bottom of the 'Assign to' section. The 'Notify users that this content has changed' checkbox is checked. The 'Cancel', 'Save & Publish', and 'Save' buttons are visible at the bottom of the page.

3. Select 'Turnitin' from the list of search results provided and submit. The tool will be activated, and you can finish setting your basic assignment options.

4. Return to the Assignments main page. Click on the recently created assignment to reveal the instructions and Assignment Inbox. Click the 'Settings' button on the Assignment inbox to reveal the options specific to Turnitin (i.e. what you would have seen when you used the tool on Moodle).
