

GOALS AND COURSE TOPICS

For:

Professional educators with at least three years of relevant professional experience in an educational setting related to the instructional process who wish to enter into a leadership position as a principal in a K-12 school. Students must have a Virginia Collegiate Professional Teacher License.

What you learn:

The mission of Averett University is to prepare students to serve and lead as catalysts for positive change. Averett fulfills this mission by educating students from diverse backgrounds, cultures, and nations through liberal arts-based undergraduate and graduate programs in a personal, collegial, interdisciplinary environment. Our program teaches critical managerial and administrative skills or building community and a coherent, school-wide instructional plan. Featuring hands-on internships with local master administrators, this program is designed to fit within an educator's busy schedule.

How you learn:

Online Format: The M.Ed. in Administration & Supervision program is presented online over 24 months in an accelerated, cohort-based format. You'll take classes one at a time in six- to 10-week blocks to allow intense study of each concept. Class meetings are required, you will have local field experiences embedded in the coursework throughout the program. Students will be required to have Zoom conferences with the university supervisor.

Career Outcomes:

Upon completion of this program, students will have earned an M.Ed. in Administration and Supervision and upon completion of the SLLA Examination with VDOE will be eligible for endorsement as a School Principal, Grades K-12.

Please Note:

Program and course requirements are subject to change. Successful completion of the SLLA is required for certification.
