

TRANSFER GUIDE

for the

VIRGINIA COMMUNITY COLLEGE SYSTEM

www.vccs.edu

Updated May 2012

A message from Dr. Stuart Jones, Vice President for Enrollment Management

Did you know that many Averett graduates began their undergraduate education at another institution? Averett's diverse academic offerings and prime location in Danville, Virginia, provide great resources to our transfer students.

This unique, vibrant liberal arts university is small enough to support you and expansive enough to challenge you. We embody the small college experience: close community, rigorous academics and a rich student life. What's more, we improve on it, with a focus on personal attention that's an Averett distinction. Averett will help you build a foundation for life—wherever life takes you.

The Office of Undergraduate Admissions is committed to making your transfer to Averett as smooth as possible. Averett's articulation agreements with local community colleges and accommodating transfer policies ensure that you'll get the credit you deserve for your prior academic work.

This guide serves as your roadmap to making your way to Averett. But this is only a guide; the rest is up to you. And since every student's situation is different, Averett's admissions counselors are here to guide you through the transfer process. Your counselor is available to answer your questions about programs of interest, financial aid opportunities, and credit transferability either by phone or in an on-campus interview. Call us at 1-800-AVERETT.

Sincerely,

A handwritten signature in black ink, appearing to read "Dr. Stuart D. Jones". The signature is stylized and written over a light blue horizontal line.

Dr. Stuart D. Jones
Vice President for Enrollment Management

Any of the following offices will be willing to assist students in making their transfer to Averett University:

Vice President for Academic Affairs	Dr. Janet Laughlin	434.791.5631
Vice President for Enrollment Management	Dr. Stuart Jones	434.791.7110
Assoc. V.P. of Graduate & Professional Studies	Dr. Michael Parsons	434.791.7203
Registrar	Mrs. Janet Roberson	434.791.5891
Associate Director of Admissions	Mrs. Stephanie Mullins	434.791.5666
Director of IDEAL Program	Mrs. Susan Rowland	434.791.4949
Assistant Director of Financial Aid	Mr. Randall Thornton	434.791.5665

If you have any questions concerning a particular course transferring to Averett, please contact the Registrar's Office at 1-800-AVERETT (283-7388) or (434) 791-5891.

Courses not listed in this guide will in most cases receive general elective or no transfer credit unless they are included in an associate degree program.

Based on the VCCS Master Course File
<http://courses.vccs.edu/courses>

PURPOSE

The purpose of the Averett University Transfer Guide is to assist admissions counselors at Averett and transfer counselors at the Virginia community colleges in advising prospective transfer students. This information is designed to be used in conjunction with the Averett University catalog as a reference for course selection and not a guarantee of transfer equivalency. If additional information is needed, call the Registrar's Office, 434-791-5891 or 1-800-AVERETT (283-7388).

Averett welcomes qualified transfer applicants from the Virginia Community College System and will do everything possible to aid these students in making a smooth transition to our university. To assist in this transition, Averett accepts many VCCS courses as partial fulfillment of the general education requirements and has established a cooperative transfer policy for Virginia Community College System graduates.

Averett University is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools (1866 Southern Lane, Decatur, GA, 404-679-4501).

COOPERATIVE TRANSFER AGREEMENT WITH THE VIRGINIA COMMUNITY COLLEGE SYSTEM

The following policies govern an associate degree holder from a Virginia Community College: Any student who completes the Associate in Arts, Associate in Science or Associate in Arts and Science degree from a Virginia Community College System (VCCS) institution will be admitted to Averett University with junior status. Students who complete an Associate in Applied Science degree will be admitted as juniors if they are pursuing the Bachelor of Applied Science degree. Students who complete the Associate in Applied Science degree in Administration of Justice, or its equivalent, will be admitted as juniors to pursue the Bachelor of Science degree in the "2+2" program, Sociology/Criminal Justice. Students who complete the Associate in Applied Science degree in Early Childhood Education will be admitted as juniors to pursue the Bachelor of Applied Science in Early Childhood Education.

All courses applying to the degree from the community college will be accepted in transfer at Averett University; however, Averett does not accept the grade of D in ENG 111, 112 or their equivalents.

If a student does not have an associate degree, then the transfer courses will be evaluated individually. All rules for transferring courses, as stated in the Catalog and Transfer Guidelines, will be applied. The procedures for transferring credits to Averett are listed in the Averett University catalog.

TRANSFER STUDENTS

1. Transfer students must complete a minimum of 60 semester hours at a senior college, at least 30 of which must be from Averett University. Twelve of the 30 hours taken at Averett University must be in the major field.
 - a) Credits are not normally transferred from proprietary schools or from non-accredited colleges.
 - b) Averett will accept courses from regionally accredited institutions of higher education for which a grade of C or higher was received. For those students who have received an associate's degree, Averett will accept in transfer all courses that were credited by the transferring institution toward the student's degree. **THE ONLY EXCEPTION TO THAT POLICY IS THAT AVERETT DOES NOT TRANSFER GRADES OF D IN ENG 111, 112, OR THEIR EQUIVALENTS.**
 - c) Official copies of all CLEP, DANTES, ACT, AP, and IB scores should be sent directly from the testing agency to the Averett University Admissions Office.
2. The final 30 semester hours of academic work prior to graduation must be taken at Averett University.

MATHEMATICS

All transfer students must take a mathematics placement test.

1. The placement test will help determine whether a student is placed in MTH 100, Fundamentals of Mathematics, or MTH 103 or higher.
2. If a student is placed in MTH 151, Precalculus Math, or MTH 201, Calculus I, and elects to take a lower level mathematics course, the student will receive credit for it, but the course will not satisfy a general education requirement in mathematics.
3. Students who are required to take MTH 100 may not use those hours to satisfy the minimum of 120 hours for graduation.
4. All students must attain a mathematics proficiency level of MTH 103 or MTH 112, Theory of Modern Mathematics II. All students enrolled in a business program must attain a mathematics proficiency level of MTH 171, Applied Calculus.
5. All students seeking licensure in Elementary Education must take MTH 111 and 112; therefore, if a student seeking this licensure is placed in MTH 103, 151 or 201, the student will take MTH 111 and 112.

ENGLISH

All new students must take the Nelson-Denny Reading Test.

1. The placement test will help determine whether a student is placed in ENG 100, Fundamentals of English, or ENG 111, Introduction to Writing and Research.
2. Students who are required to take ENG 100 may not use those hours to satisfy the minimum of 120 hours for graduation.
3. All students must attain an English proficiency level of ENG 112.

TAKING COURSEWORK AT ANOTHER COLLEGE WHILE ENROLLED AT AVERETT UNIVERSITY

After matriculation at Averett, all students who wish to receive credit for courses taken at another regionally accredited institution must receive written approval granted in advance from the Registrar. The written approval must be in the student's file in the Registrar's Office before credit will be given. Students must earn a grade of C or better in order to receive transfer credit for any course taken at another institution.

Grades in courses taken at another institution will not be calculated into the student's grade point average (GPA) at Averett. Thus, courses taken elsewhere will neither raise nor lower the student's GPA. Academic work from all institutions will be considered in computing the final GPA for honors at graduation, but no overall average may exceed the one earned by a student at Averett.

GENERAL EDUCATION REQUIREMENTS

1. Communication

ENG111, Intro to Writing	3 hrs
ENG112, Intro to Literature	3 hrs
(1A) Writing Competency	3 hrs
(1B) Reading, IDS 200	3 hrs
(1C) Oral Competency	3 hrs

2. Society (at least 9 semester hours to be taken from 3 areas (2A)-(2E))

(2A) Religion or Philosophy	
(2B) Psychology or Sociology	
(2C) Western Civilization	
(2D) History, Political Science, Economics, Criminal Justice	
(2E) Culture or language	6-14 hrs

3. Fine Arts

(3A) Fine Arts	3 hrs
(3A) Fine Arts	3 hrs

4. Science and Mathematics

(4A) Mathematics	3 hrs
(4A) Mathematics (6 hrs for BS students)	3 hrs
(4B) Science	4 hrs

5. Critical and Independent Thinking

IDS 101 (Freshmen only)	1 hr
(5A) Critical Thinking	3 hrs
(5B) Application	3 hrs

Averett University offers the Bachelor of Applied Science (BAS) degree to students who possess an Associate in Applied Science (AAS) degree from a regionally accredited institution. Refer to the academic catalog for specific degree requirements.

Averett University also offers a Bachelor of Arts and Bachelor of Science in Liberal Studies, with or without teaching certification (PK-6). Students who wish to be recommended for secondary or PK-12 teaching licensure must complete a major program in the subject the student intends to teach. Courses in either secondary or PK-12 education are taken in addition to the requirements of a major program. Refer to the academic catalog for specific degree requirements.

EXPLANATION OF REQUIREMENTS

For a complete listing of requirements, please refer to the Averett catalog.

www.averett.edu

<p>EVALUATION PROCESS Official Evaluations</p> <p style="text-align: right;">Revised 05/01/12</p>	<p style="text-align: center;">TG 1.0</p>
---	---

A. OFFICIAL EVALUATIONS

Official evaluations are performed only on transcripts bearing an official school seal and signed by a school official. Upon receipt, official and unofficial transcripts become the property of Averett University and are not released to the student or to a third party. Documentation is usually forwarded from another institution directly to Averett University.

- a) Transcripts received directly from the student (Issued to Student) or official records from non-collegiate sources marked *ISSUED TO STUDENT* are acceptable only if presented in a sealed envelope from the issuing institution. These documents may not be over one year old, and must not show signs of tampering. An Averett representative must verify, by signing the document, that the document was received in a sealed envelope.

B. DOCUMENTS THAT CAN BE EVALUATED FOR TRANSFER CREDIT

- a) College Transcripts from regionally accredited institutions

- ◆ Dated within one year of receipt.
- ◆ Signature of school official.
- ◆ Sealed envelope.

- b) Certificate Training Programs

- ◆ Must have been evaluated by the American Council on Education and listed in *The National Guide to Educational Credit for Training Programs*. A transcript is available from ACE or from the training sponsor.

- c) Military Training Programs

Must have been evaluated by ACE and listed in the *Guide to the Evaluation of Educational Experiences in the Armed Services*.

1. Approved for Evaluation

- ◆ DD214 – Issued to discharged military personnel.
- ◆ DD295 – Issued to active duty military personnel.
- ◆ AARTS – Official Army document, issued by ACE to military personnel who enlisted after October 1981.
- ◆ CCAF – Community College of the Air Force.
- ◆ CGI - Coast Guard Institute
- ◆ SMART – Official Marine Corps or Navy document, issued by ACE

<p>EVALUATION PROCESS Unofficial Evaluations</p> <p style="text-align: right;">Revised 05/01/12</p>	<p style="text-align: center;">TG 1.1</p>
---	---

A. UNOFFICIAL EVALUATIONS

Unofficial evaluations of transfer credit may be processed by the Registrar's Office at the request of the Admissions Office. These evaluations will include the approximate total hours and cumulative GPA. These evaluations are subject to change and may be altered upon receipt and evaluation of all official documents.

a) Documents that cannot be officially evaluated

- ◆ Unofficial copies of transcripts
- ◆ Transcripts issued to the student and not verified by an Averett University representative
- ◆ Transcripts received from a student in a sealed envelope: however, the transcript is older than one year
- ◆ Improperly filled out military documents
- ◆ Military documents not notarized or verified by an Averett representative
- ◆ Military documents not listed in paragraph (c) on the previous page
- ◆ Certificates or copies of certificates unless notarized or verified by an Averett representative
- ◆ Licenses other than:
 - Private Pilot License
 - Insurance License
 - Radiology Technology License
 - EMT License
 - Real Estate License
- ◆ Grade mailers
- ◆ Portfolio credit from other institutions
- ◆ Transcripts from non-regionally accredited institutions
- ◆ CLEP/DANTES, IB, AP, or ACT scores not received directly from the official scoring agency

EVALUATION OF ACADEMIC STATUS

TG 2.0

Revised 05/01/12

An *Official Evaluation of Academic Status* form is processed, at the request of the Admissions Office, for students submitting official records. The original form and all official documents are housed in the Registrar's Office. Copies of student evaluations are returned to the Admissions Office.

Applicant files are kept for two years. Should the applicant reapply after the records have been purged, all transcripts and documentation must be resubmitted.

A. Completed *Evaluation of Academic Status* form includes the following:

- ◆ Student's cumulative GPA for each institution attended. The GPA is computed on *all* hours attempted and *all* quality points received.
- ◆ Total transfer hours accepted. Hours on all transcripts received are converted to semester hours and a 4.0 grade scale. General education courses, prerequisites and courses applied to the general elective requirements are noted. GPA of transfer hours is not calculated in the cumulative GPA except for determination of honors at graduation.

B. Transfer Credit

- a) If a student earned an associate's degree from a regionally accredited institution, all courses that were applied to the degree which were taken at the degree granting institution will be accepted as transfer credit.

EXCEPTIONS TO THIS ARE AS FOLLOWS:

- ◆ No grades below a "C" will be accepted for the equivalents of Averett University's ENG 111, Introduction to Writing and Research and ENG 112, Introduction to Literature.
- b) Averett University does not accept transfer grades of "D" unless at the time of initial matriculation at Averett, or following a period of absence from Averett and readmission as a transfer readmit, the student has completed an associate's degree. Only those grades which were counted towards the associate's degree at the degree granting institution will be transferred.

EVALUATION OF ACADEMIC STATUS FORM Appeals Revised 05/01/12	TG 2.1
---	--------

A. To appeal an official evaluation

A student may be required to furnish the Registrar's Office with a course description or a course syllabus in order to receive specific course credit for transfer coursework. (A student may expect a class to transfer as a science course; however, the course is vaguely worded on the transcript, so it is only accepted as elective credit.) Although the Registrar's Office will attempt to obtain a course description from catalogs via the Internet, it is ultimately the responsibility of the student to obtain this information for review. This requirement is automatic for the following course types:

- Special Studies
- Non-Catalog Courses
- Independent Studies
- Seminar Project Courses
- Writing or Oral Intensive courses

If the Registrar's Office is unable to make a determination of the transferability of a course based upon the documentation submitted, all information will be forwarded to the appropriate department chair for review and evaluation. Allow at least two weeks during the fall and spring terms and three weeks during the summer term for departmental responses.

<p>ACCREDITED INSTITUTIONS</p> <p>Revised 05/01/12</p>	<p>TG 3.0</p>
--	---------------

Averett University will accept credit from regionally accredited institutions. The acceptable regional accrediting bodies are:

- ◆ Middle States Association of Colleges and Schools
- ◆ New England Association of Schools and Colleges
- ◆ North Central Association of Schools and Colleges
- ◆ Northwest Association of Schools and Colleges
- ◆ Southern Association of Colleges and Schools
- ◆ Western Association of Schools and Colleges- Junior & Senior

The most current publication of the Accredited Institutions of Postsecondary Education, published annually by the American Council on Education (ACE) is referenced to determine the accreditation status of colleges and universities. If the accreditation of a school cannot be determined, an evaluation cannot be completed.

If an institution has closed, the Department of Education in the state of the closed institution may be able to provide information regarding an institution's record, the accrediting body, the date of closure, and the repository for the closed institution's records.

<p>TRANSFER REQUIREMENTS</p> <p style="text-align: right;">Revised 05/01/12</p>	<p style="text-align: center;">TG 4.0</p>
---	---

Transfer coursework is equated to an Averett University course whenever possible. Non-equivalent courses are designated as general electives. When course titles or course numbers are not clearly within a certain discipline or are unfamiliar to the evaluator, supporting documentation will be requested from the student.

Courses that are accepted in transfer and then repeated at Averett will be considered duplicates, which will result in adjustments to the student's permanent record. Graduation hour requirements (120 – BS, BA, BAS, BBA, 64 - AS) will remain the same. It is the student's responsibility to make up the deficit created by the course duplication.

- A. Duplicated course work is not transferable.

EXCEPTION: If a student, at the time of application, but before matriculation, takes courses that parallel courses in the ASB or BBA core requirements, those courses will be accepted in transfer as general electives.

- B. The course equivalent of BSA 221, Principles of Accounting I, is automatically applied to the prerequisite accounting requirements for the BBA degree. If the student repeats the course at Averett, the hours that had been accepted as transfer hours are deleted from the student's transfer record.
- C. Courses of a lower level, in the same discipline, than those previously taken will not be allowed in transfer. EXAMPLE: A student may not receive credit for entry-level business management courses after receiving credit for upper-level business management courses.

TRANSFER REQUIREMENTS Grades, Exam, Credit Revised 05/01/12	TG 4.1
--	--------

A. Pass/Fail Coursework

Any student may take as many as five courses on a pass/fail basis. These courses must be used as free electives. Courses used to satisfy the requirements for general education, teacher licensure, the major or the minor may not be taken on a pass/fail basis.

B. Credit by Examination.

Credit for CLEP, DANTES, PEP, ACT, IB, or AP is not automatically granted. Averett must be provided with the Official Institution's Copy of the test scores. Credit is granted based on Averett University's guidelines in effect at the time the examination was taken. Acceptable minimum score verifications may be obtained from the Registrar's Office. (see p. 7.0)

C. Departmental Exams

Departmental exams are accepted in transfer from regionally accredited institutions provided the courses equate to a specific catalog course offered at the issuing institution. **EXCEPTION:** If the departmental exam was part of the student's associate degree, specific catalog course numbers are not required. Without the associate's degree, departmental exams must be course specific.

D. Correspondence Courses

Credit is granted for correspondence courses taken at a regionally accredited institution. A grade of "C" or better must have been earned. Credit may be applied to general electives, general education requirements or discipline electives.

E. Portfolio Credit

Credit is granted for experiential learning and professional experiences through the Portfolio Process. Averett does not transfer portfolio credit from other institutions.

Credit granted through Averett's portfolio process is entered into the student's permanent record after matriculation. A maximum of 30 hours or 25% of the degree requirements may be received through the portfolio process.

Credit Non-Transferable

Credit is not allowed for: remedial coursework, courses below 100 level, developmental courses, refresher courses, or vocational skills classes. **EXCEPTION:** If skills classes or vocational courses are above a 100 level and are part of a student's associate's degree, the hours may be accepted for general electives.

Any student on suspension will not receive transfer credit for any academic work taken during the period of suspension.

TIPS ON TRANSFER CREDIT	TG 5.0
Revised 05/01/12	

QUARTER TO SEMESTER TRANSFERS

- Any shortfall of .3 credit hours or less will be rounded up to the next full credit. For example, a student needs six semester hours in math. Three semester hours and 4-quarter hours are transferred in appropriate coursework. These hours equate to 5.67 semester hours, thus falling short approximately one-third of a credit in the subject area. (four-quarter hours equal 2.67 semester hours) The 5.67 hours will be rounded to 6 hours for the purpose of meeting the content requirement. HOWEVER, all students must earn, IN FULL, the minimum requirement of 120 credits for graduation.

<p>SERVICE MEMBERS OPPORTUNITY COLLEGES (SOC) REQUIREMENTS FOR GRADUATION</p> <p style="text-align: right;">Revised 05/01/12</p>	<p>TG 6.0</p>
--	---------------

Averett is a member of Service Members Opportunity Colleges (SOC) and participates in SOCMAR and SOCCOAST.

If an applicant is active duty military, or a spouse of an active duty service member, the applicant’s record is evaluated by the Registrar’s Office One copy is given to the student and another copy to the student’s Education Officer. A copy is also submitted to the SOC representative for the student’s branch of military.

MINIMUM REQUIREMENTS FOR GRADUATION – SOC

- Must satisfactorily complete all general education requirements
- Must complete a minimum of 120 semester hours
- Must complete a minimum of 25% of their degree requirements at Averett
- Must complete a minimum of 12 semester hours of the major requirements at Averett
- Must earn only grades of “C” or above to be accepted for transfer
- Must maintain a GPA of 2.0 in both the major and overall GPA
- Must submit a graduation application within the specified deadline, and fulfill all requirements, both academic and financial, prior to graduation

CREDIT BY EXAMINATION CLEP	TG 7.0
Revised 05/01/12	

The College Level Examination Program (CLEP) is a national standardized testing program developed by the Educational Testing Service (ETS). Tests are available in several general education and elective areas. Brochures and other guides are available in the Office of Student Success.

A student should receive counseling from an official representative of Averett prior to taking CLEP examinations to avoid duplication and to ensure that specific requirements are being met.

ENGLISH CLEP EXAMINATIONS

Averett requires the optional essay portion for all English CLEP exams. Averett's English Department grades all essays on a pass/fail basis and returns the graded essays to the Registrar's Office for processing. A student must pass both the essay and the multiple-choice portion of the CLEP test in order to receive credit.

Physics	7, 6, 5	To be reviewed by Department	

*All credit will be awarded based on the exam score and the successful completion of the "Higher Level" course designation.

LICENSES, CERTIFICATES, NON-INSTITUTIONAL CREDIT

TG 8.0

Revised 05/01/2012

Averett allows credit for non-institutional training and education programs evaluated by the American Council on Education (ACE). Credit is generally allowed based on the ACE recommendation.

EVALUATION OF CERTIFICATES FOR CREDIT

Official verification of course completions, course dates and satisfactory score results must be received from the organization sponsoring the training. If ACE has evaluated the training, official results may also be requested directly from ACE.* Course criteria for each exhibit must match the course description in The National Guide to Educational Credit for Training Programs, published by ACE.

If the training has not been evaluated by ACE, or took place prior to ACE evaluation of the training, credit will not be allowed.

Copies of certificates or completion diplomas, without official documentation, cannot be evaluated.

LICENSES ACCEPTED FOR CREDIT

A student has two options for submitting a license for evaluation:

1. The original license may be copied, dated and signed by an Averett representative. It should then be forwarded to the Registrar's Office for evaluation.
2. The license may be notarized, and then forwarded to the Registrar's Office for evaluation.

Averett allows credit for the following licenses:

- Current Private Pilot License – Fixed Wing
Must be current and student must have a test flight 4 semester hours
- VA/NC Insurance Licenses
Life & Health and/or Property & Casualty 4 semester hours
- Radiologic Technology License-must be current
Hospital-based Program 56 semester hours
- Real Estate License 4 semester hours

CREDIT FOR EXPERIENTIAL LEARNING – NO PORTFOLIO REQUIRED

- Emergency Medical Technician License 12 semester hours – BIO elective
- Graduate from VA Corrections Academy 3 semester hours – CRJ375
- Graduate from VA Police Academy 12 semester hours
CRJ301, CRJ387,
CRJ elec, PE127, HTH220

Communication
Three + courses required 9+ hr
ENG111 College Composition I
ENG112 College Composition II or ENG 125 Intro to Literature (for more information, see English equivalencies)
(1C) Oral Competency TH103 or TH300 (may be met with CST 100)
(1A) Writing Competency (not available for transfer; fulfill at AU)
(1B) Reading IDS 200 (not available for transfer; fulfill at AU)

Fine Arts
Two courses required 6 hrs
ART100 Art Appreciation
ART101 History & Appreciation of Art I
ART 102 History & Appreciation of Art II
ART 201 History of Art I
ART 202 History of Art II
MUS121 Music Appreciation I
MUS 122 Music Appreciation II
MUS 221 History of Music I
MUS222 History of Music II
CST130 Introduction to the Theatre
CST151 Film Appreciation I
CST152 Film Appreciation II
CST231 History of Theatre I
CST232 History of Theatre II
CST250 The Art of Film
ENG241 Survey of American Literature I*
ENG242 Survey of American Literature II*
ENG243 Survey of English Literature I*
ENG244 Survey of English Literature II*
ENG251 Survey of World Literature I*
ENG252 Survey of World Literature I*

Appendix A: VCCS Courses Applied to Averett University General Education Requirements

Communication:
Three + courses required 9+ hours

Fine Arts:
Two courses required 6 hours

Society:
Three courses from three different areas

Science and Mathematics:
Two math and one lab science for BS; one math and one lab science for BA

Critical and Independent Thinking:
VCCS courses that meet Averett's Critical Thinking requirement are marked with an asterisk (*)

Science and Mathematics
Two math and one lab science required for BS; one math and one lab science required for BA
BIO101 General Biology I
BIO102 General Biology II
BIO107 Biology of the Environment
CHM101 General Chemistry I
CHM102 General Chemistry II
CHM111 College Chemistry I
CHM112 College Chemistry II
NAS111 Physical Science I
NAS112 Physical Science II
NAS125 Meteorology
PHY101 Introduction to Physics I
PHY102 Introduction to Physics II
PHY121 Principles of Physics I
PHY122 Principles of Physics II
PHY201 General College Physics I
PHY202 General College Physics II
PHY231 General University Physics I
PHY232 General University Physics II
PHY241 University Physics I
PHY242 University Physics II
MTH146 Introduction to Elementary Statistics
MTH 151 Math for Liberal Arts I
MTH 152 Math for Liberal Arts II
MTH157 Elementary Statistics
MTH163 Precalculus I
MTH164 Precalculus II
MTH166 Precalculus with Trigonometry
MTH168 Precalculus II with Introductory Calculus
MTH173 Calculus with Analytic Geometry I
MTH174 Calculus with Analytic Geometry II
MTH175 Calculus of One Variable I
MTH176 Calculus of One Variable II
MTH240 Statistics
MTH242 Statistics II
MTH270 Applied Calculus
MTH271 Applied Calculus I
MTH272 Applied Calculus II
MTH273 Calculus I
MTH274 Calculus II

Society: Three courses from three different areas

Society
(A) Religion and Philosophy
PHI100 Introduction to Philosophy
PHI101 Introduction to Philosophy I
PHI 102 Introduction to Philosophy II
PHL211 The History of Western Philosophy I
PHI220 Ethics
REL200 Survey of the Old Testament*
REL210 Survey of the New Testament*
REL230 Religions of the World
REL232 Religions of the World II
REL237 Eastern Religions
REL238 Western Religions

Society
(B) Psychology or Sociology
PSY 200 Principles of Psychology
PSY201 Introduction to Psychology I
PSY202 Introduction to Psychology II
PSY215 Abnormal Psychology
PSY216 Social Psychology
PSY230 Developmental Psychology
PSY235 Child Psychology
SOC200 Principles of Sociology
SOC201 Introduction to Sociology I
SOC215 Sociology of the Family
SOC225 Sociology of Gender
SOC235 Juvenile Delinquency
SOC236 Criminology
SOC245 Sociology of Aging
SOC246 Death and Society
SOC250 Sociology of Sport
SOC265 Social Psychology
SOC266 Race and Ethnicity
SOC268 Social Problems

Society
(C) Western Civilization
HIS101 History of Western Civilization I
HIS102 History of Western Civilization II
HIS111 History of World Civilization I
HIS112 History of World Civilization II

Society
(D) History, Political Science, Economics, Criminal Justice
HIS121 US History I
HIS122 US History II
HIS211 History of England
HIS269 Civil War and Reconstruction
HIS270 America in the Gilded Age
PLS 120 Introduction to Political Science
PLS130 Basics of American Politics
PLS135 American National Politics
PLS211 US Government I
PLS212 US Government II
ECO201 Principles of Macroeconomics
ECO202 Principles of Microeconomics
ADI100 Survey of Criminal Justice
ADI130 Introduction to Criminal Law
ADI145 Corrections and the Community
ADI225 Courts and the Administration of Justice
ADI236 Principles of Criminal Investigation
ADI237 Advanced Criminal Investigation
ADI248 Probation, Parole, and Treatment

Society
(E) Culture or Language
If used for BS, two courses freshman level competence required or class on culture
If used for BA, four courses intermediate level competence required
FRE201 and 202 Intermediate French I-II
GER201 and 202 Intermediate German I-II
ITA201 and 202 Intermediate Italian I-II
JPN201 and 202 Intermediate Japanese I-II
SPA201 and 202 Intermediate Spanish I-II
SOC210 Survey of Physical and Cultural Anthropology
SOC211 Principles of Anthropology I
SOC212 Principles of Anthropology II
ASL201 and 202 Intermediate American Sign Language III-IV

ACCOUNTING (ACC)

VCCS Course		Hours	Averett Course	Hours
100	Introduction to Bookkeeping	5	BSA Elective	5
105	Office Accounting	3	BSA Elective	3
110	Introduction to Computerized Accounting	1-2	BSA Elective	1-2
111	Accounting I	3-4	BSA221 - must	3-4
112	Accounting II	3-4	have 111 &112	3-4
113	Accounting I Laboratory	1	BSA Elective	1
114	Accounting II Laboratory	1	BSA Elective	1
115	Applied Accounting	3-4	BSA Elective	3-4
116	Hospitality Accounting	3	BSA Elective	3
124	Payroll Accounting	2-3	BSA Elective	2-3
134	Small Business Taxes	2-3	BSA Elective	2-3
190	Coordinated Internship	1-5	elective	1-5
193	Studies In	1-5	elective	1-5
195	Topics In	1-5	elective	1-5

Note: * VCCS ENG 112 will transfer as Averett's ENG 112 only if there is a Literature component to the course. Applicants will be asked to provide a syllabus. If the course does not include Literature, students will be required to take an upper-level Literature course in order to graduate. Alternatively, they may take VCCS ENG 125.

Note:** Course will be evaluated by the chair of the English department

ENVIRONMENTAL SCIENCE (ENV)

VCCS Course		Hours	Averett Course	Hours
