Here's How The Stock Market Has Performed Before, During, And After Presidential Elections:

If 2020 has not already brought enough uncertainty, there is still a presidential election on the horizon. While this can bring uncertainty to the market there is no reason to make knee jerk investment decisions regardless if your candidate wins or loses. This article will provide a historical context as to how the market has performed before, during, and after past elections.

IRS Clarifies COVID-19 Relief Measures:

The Coronavirus Aid, Relief, and Economic Security (CARES) Act, passed in March 2020, ushered in several measures designed to help IRA and retirement plan account holders cope with financial fallout from the virus. The rules were welcome relief to many people, but left questions about the details unanswered. In late June, the IRS released Notices 2020-50 and 2020-51.
