

I want to take this opportunity to say Thank you, first to our Almighty God through His precious Son Jesus Christ who paid the ultimate price for all mankind, allowing us, His children, to experience eternal life with Him forever. Our dad has entered into his eternal reward and though our hearts were heavy, we are rejoicing in the fact of knowing that through Christ, we will see him again. THANK YOU, THANK YOU, THANK YOU... to the entire Averett University Family.... (Faculty, Staff, Management, and of course Students). Your kind words of Love and Encouragement continues to strengthen not only myself but my family as well. Our hearts are heavy; however, we have found the Peace and Comfort of God through your love and support. We were blessed with a father, who shared the stern strong arm of Love and Compassion for his family and for all mankind. And now, we vow to carry on this legacy.. Thanks to all and may The Almighty God Richly Bless and Keep you...
