Presentation by Connie Nyholm

Connie is the Owner and CEO of Virginia International Raceway, known as America's Motorsport Resort. A born entrepreneur, Nyholm invested in the track in 1998 with a partner and has been dedicated to growing VIR using the values of hard work and communication she learned from her dad growing up in Martinsville ever since. Now the majority owner, she has taken VIR from near abandonment 20 years ago to one of the top six road courses in North America, as recognized by Car & Driver. Nyholm has transformed VIR into not only one of the most challenging tracks anywhere, but a one-of-a-kind racing facility and resort that attracts business to the region and includes onsite lodging, dining, shooting, karting, spa, industrial park and more.
