

THE CENTER FOR COMMUNITY ENGAGEMENT & CAREER COMPETITIVENESS

The Foundation Student Resources Center at the CCECC

The center (The Shed) is part of Averett University's Cougar Cares program and provides students with professional business clothing for career development opportunities as well as emergency food and hygiene items. Students may access the resource center by visiting the CCECC between 9 a.m. and 4 p.m. Monday-Friday. All visits are confidential. We only ask students to complete a one-question form on an iPad to let us know whether they need clothing, food, and/or hygiene products so that we can keep a record of the inventory.
