Individual Counseling

INDIVIDUAL COUNSELING SESSIONS AT NO ADDITIONAL COST TO YOU

You can discuss your personal financial situation with an experienced TIAA-CREF Financial Consultant on a confidential basis. They are available to discuss how to help you pursue your financial goals by investing in financial products such as mutual funds, brokerage, life insurance and annuities.

A detailed evaluation tells you everything you need to know and do. Our individual counseling session will help you answer these questions:

- Are my investments properly allocated?
- Am I on track to meet my retirement goals?
- Am I saving enough?
- How and from where do I draw retirement income?

The sessions will provide you with a personalized actionable plan based on, among other things, your goals, time horizon and individual risk tolerance.
